HEALTHCARE SERVICES®

Customized Care for Individual Needs

Maxim Healthcare Services is nationally recognized as a leading provider of home healthcare services, specializing in managing all of your in-home health needs. Whether you are recovering from surgery, illness, or managing a disease, we are here to provide nursing care, rehabilitation, and support services in the comfort of your home.

When you call Maxim, we will discuss your options and work to assign the most qualified and compatible caregiver. We understand that each individual's healthcare requirements are unique, that is why we assign only the most qualified and compatible caregivers to meet your specialized needs. To begin your care regimen, we will send a nurse or therapist to the home for an initial consultation and collaboration with you and your Physician to develop a detailed and effective plan of care.

Our Services are available 24 hours a day, 365 days a year

Maxim's services are accessible around-the-clock. For your convenience, Maxim representatives answer phone calls 24-hours per day. Registered Nurses (RNs) are also available 24-hours a day, 7 days a week to answer questions, handle emergencies, and admit new patients. We take pride in the quality and availability of our personnel.

Maxim Healthcare Services offices operate in accordance with the highest industry standards. All caregivers are fully bonded and insured; and undergo thorough interviewing, testing, and screening prior to employment. Furthermore, caregivers are regularly supervised and evaluated by clinical management to ensure that Maxim's high standards are met.
